OKAY TO PREPARE LEGISLATION:

**RE: City of Canton Interior Renovation Program**

Dear Madam President and Honorable Members:

The City of Canton has been met with questions as to how the City can support the development of businesses, specifically support for interior and exterior improvements. Leading up to 2020, the City of Canton had little which addressed these needs, until the development of the Storefront Reinvestment Program (SRP). The SRP addresses exterior projects such as building code compliance, architectural/historic details, façade improvements, and design and installation of new signage. While the SRP has been successful, there still remains a gap in City programs for interior renovation assistance.

Due to this, I am requesting that Canton City Council adopt legislation to establish the Interior Renovation Program (IRP) to assist Canton businesses with interior renovation projects. Qualifying projects, chosen for award, will be eligible for a grant of up to 50% of eligible project costs capping at \$24,999. Payment of the grant will be on a reimbursement basis once the project is completed and passes all necessary inspections. Qualifying projects are permanent improvements to the property such as, but not limited to:

- Lighting fixtures
- Plumbing/HVAC
- Expansion costs
- Carpet/flooring
- Painting/drywall
- Permitting cost
- ADA compliance
- Interior demolition associated with the project
- Architectural, design, and engineering costs for interior work
- Other permanent fixtures

It is proposed that the IRP will be a City-wide program open to any and all businesses which are operating within qualified, commercially zoned areas. Businesses operating out of residentially zoned areas will not qualify for IRP. The program will be administered by the Department of Economic Development within the Office of the Mayor.

Therefore, I hereby request legislation which does the following:

1. Establishes the Interior Renovation Program (IRP)
2. Authorizes the Mayor and/or Director of Public Service to enter any and all grant agreements necessary for the IRP

3. Authorizes the Auditor to draw warrants from the General Fund, Non-Income Tax portions in an amount not to exceed \$150,000.00
4. Amend Appropriation Ordinance No. 227/2023 with the following supplemental appropriations:

FROM: Unappropriated Balance of the 1001 General Operating Fund	\$150,000.00
TO: 1001 200501 General Gov't Support Admin – Other	\$150,000.00
5. Declares this ordinance to be an emergency measure.

Please do not hesitate to contact me if you have any questions. Thank you for your consideration.

Sincerely,

  
Christopher J. Hardesty

OKAY TO PREPARE LEGISLATION:

Dear Madame President and Honorable Members:

Due to some confusion between Engineering, the Law Department and the Auditors office a moral obligation was created for the Street Light Replacement Project on Market Ave. Initially, a purchase order was created out of the 6018 Vehicle Self Insurance Fund in an amount of \$9,066.00 to cover the replacement of the damaged street lighting. The PO should have been made out of the 2415 Guardrail / Attenuator Replacement Fund. Since the City is now operating out of its 2024 budget and the PO that was to be opened out of fund 2415 was not opened during 2023 when the expense occurred, we have now created a moral obligation that needs this Council's approval before the vendor can be paid.

Therefore, I hereby request legislation that does the following:

1. Authorizes and directs the Auditor to pay moral obligations for Path Master, Inc. amounting to \$9,066.00 with the passage of this ordinance.
2. Retroactively authorizes any and all actions taken in order to ensure that the moral obligations in question are paid in a timely manner.
3. Authorizes the Auditor to draw warrants upon receipt of vouchers duly approved by the proper departmental authority.
4. Declares this ordinance to be an emergency measure.

Please do not hesitate to contact me with any questions regarding this matter.

**Request to Amend Ordinance #227/2023**

Dear Madam President and Honorable Members:

I respectfully request legislation to amend Appropriation Ordinance #227/2023 with the supplemental appropriations as described below:

<b>FROM:</b> Un-appropriated balance of Fund 2331 – Air Pollution	\$200,000.00
<b>TO:</b> Fund 2331.301001 Air Pollution: 700 – Other Direct Costs	\$200,000.00

We are asking that Council pass this ordinance on the 1st reading. APC Grant expenses were budgeted in 2023 for APC funds, but were not spent in 2023 due to delays in the grant project plans. These grant expenses now need to occur in early 2024 but were not budgeted.

Thank you in advance for your consideration. If you have any questions or need further information, please contact me by telephone or e-mail.

Respectfully yours,

**RE: Appropriations for Demolition of 3110 Glen Place NW**

Dear Madam President and Honorable Members:

The City of Canton Building and Code Department is requesting permission for the Safety Director to enter into a contract with Butcher and Sons, for services up to \$39,000.00 for the demolition of 3110 Glen Pl NW, located in Ward 3. The Building Department pursued this location via normal department procedures at the request of Ward 3 Councilman, Jason Scaglione. This property has been an issue for the ward and removing it will help improve the area that has already had nearby improvements with the retention basin on Fawcett Court NW. The testing, abatement and cleanout is underway therefore the reason for this communication. We are asking for first reading passage as demolition will be able to take place directly.

Therefore, I hereby request legislation that does the following:

1. Authorizes the Mayor or Director of Public Safety, on behalf of the City of Canton, to enter into any and all contracts with Butcher and Son.
2. Authorizes the Auditor to draw warrants upon receipt of vouchers duly approved by the proper department authority.
3. Declares this ordinance to be an emergency measure.

Please do not hesitate to contact me if you have any questions. Thank you for your consideration.

Respectfully,

  
Andrea M. Perry  
Director of Public Safety

**RE: Legislation Request – Sanitation Department Vehicle Purchases**

Dear Madam President and Honorable Members:

The Sanitation Department is continuing its capital equipment upgrade process. In 2024 we are looking to purchase two (2) 13-yard packers, a knuckle boom loader (claw) truck, and a van. It is estimated that these items will cost approximately \$725,000.00 in total. The purchases will be made from previously appropriated departmental funds.

The packers we are buying will replace the two oldest packers in the fleet and are smaller than the traditional 25-yard vehicles we typically buy. There are several reasons for this. First, these will be used for recycling, so we do not need the same capacity. Second, this will give us additional flexibility should we need to use these trucks in tight areas for trash. Third, and in light of the first two reasons, they are approximately \$150,000.00 less expensive per truck. Finally, due to supply chain issues, 25-yard packers may not be available until 2025. Given the cost and operational advantages of the smaller trucks, we believe this to be the best path forward.

Regarding the claw truck, it will replace a 2002 model that is well past its useful life. Finally, we were approved to purchase a van in 2023, but were unable to procure one due to supply chain issues.

Therefore, I hereby request legislation that does the following:

1. Authorizes the Mayor and/or Director of Public Service to advertise, receive bids, award and enter into any and all contracts necessary for the purchase of a two (2) small to mid-sized rear loading packers, a knuckle boom loader (claw) truck, and a passenger van.
2. Alternatively authorizes the Mayor and/or the Director of Public Service to enter into any and all contracts necessary for the purchase of the vehicles referenced in Section 1 above in accordance with any procurement process authorized by either the Ohio Revised Code or Canton Codified Ordinances.
3. Authorizes the Auditor to draw warrants upon receipt of vouchers duly approved by the proper departmental authority.

4. Declares this ordinance to be an emergency measure.

As always, please let me know if you have any questions or concerns.

Respectfully,

John M. Highman, Jr.  
Director of Public Service
