# RE: Legislation Request - Construction and Demolition Debris Program

Dear Madam President and Honorable Members:

Canton City Public Health (CCPH) has been made aware of a standalone construction and demolition debris processing facility (C&DD). Pursuant to Ohio Revised Code Section 3714.06, no person shall operate or maintain a construction and demolition debris facility or processing facility without an annual construction and demolition debris facility or processing facility operation license issued by either of the following:

- (a) The board of health of the health district in which the facility or processing facility is located;
- (b) The director of environmental protection if the facility or processing facility is located in a health district that is not on the approved list under section 3714.09 of the Revised Code.

As an approved health district under section 3714.09 of the ORC, the board of health has a need to set up a special fund to be credited for any application, license and late fees for a processing facility. CCPH will inspect and license the program as outlined in Section 3714.06 on behalf of Ohio EPA, and Ohio EPA will audit the program.

Therefore, I hereby request legislation that does the following:

- 1. Authorizes the Auditor to create fund 2358 C&DD Program to accept fees associated with inspection and licensing.
- 2. Amends Appropriation Ordinance #61/2024 with the following supplemental appropriation:

Authorizes the following inter-fund advance:

FROM: 7601 - Advance out to Other Fund

\$1000.00

TO: 2358 -Advance In from Other Fund

\$1000.00

- 3. Authorizes the Auditor to draw warrants upon receipt of vouchers duly approved by the proper department authority.
- 4. Declares this ordinance to be an emergency measure.

Please do not hesitate to contact me if you have any questions. Thank you for your consideration.

Respectfully,

Amanda Archer, MPH

RE: Legislation Request – RV Park/Campground Program, Health

Dear Madam President and Honorable Members:

The Board of Health of Canton City Public Health has been informed of a planned recreational vehicle park, recreation camp or combined park-camp to be stood up within the City of Canton. Pursuant to Ohio Revised Code Section 3729.01, the licensor of a RV park/campground program means either the board of health of a city or general health district, or the authority having the duties of a board of health in any city as authorized by section 3709.05 of the Revised Code, or the director of health, when required under division (B) of section 3729.06 of the Revised Code. Furthermore, ORC Section 3709.07 outlines permission to charge an annual fee for an annual license to operate such a park, camp or park-camp. To this end and as the licensor of such a program, Canton City Public Health has a need to set up a special fund to be credited for any fees received for annual licenses.

Therefore, I hereby request legislation that does the following:

- 1. Authorizes the Auditor to create fund 2357 RV Parks/Campground Program to accept fees associated with inspection and licensing.
- 2. Authorizes the Auditor to draw warrants upon receipt of vouchers duly approved by the proper department authority.
- 3. Declares this ordinance to be an emergency measure.

Dear Madam President and Honorable Members:

The City of Canton has been funding demolition programs for the last several years out of the Building Code and general funds for a total amount of \$750,000.00. \$250,000 has come from the Code Fund and \$500,000.00 from the General Fund. As you know, I have made it a priority to increase the investment in Canton's neighborhoods. This includes investing more towards the elimination of blight. To this end, I would like to allocate an additional \$500,000.00 towards demolitions in 2024. With the addition of these funds, it is estimated that we will be able to demolish an additional 40 blighted properties in 2024. After demolition we will seek to put the vacated properties back into the hands of homeowners and or investors to either maintain the vacant parcel or to build some new housing stock within our neighborhoods.

Therefore, I hereby request legislation which does the following:

1. Amends Appropriation Ordinance No. 61/2024 with the following supplemental appropriations:

FROM: Unappropriated Balance of the 1001 General Operating Fund

\$500,000.00

TO:

1001 200501 General Gov't Support Admin - Other

\$500,000.00

Dear Madam President and Honorable Members:

For the past four years, the City of Canton has provided grant funds to Community Building Partnership (CBP) for a variety of programming to revitalize our neighborhoods. As you know, I have made it a priority to increase the investment in Canton's neighborhoods. The City of Canton has funded this program \$150,000 in 2020 and \$200,000 in 2023 (Ordinance No. 77/2023). This programming included:

- Incentivizing homeowner investment by awarding a 10% cash rebate for completed qualifying exterior improvements;
- Promotion and use of CBP's Health Neighborhoods program which engages residents and creates homeowner confidence to invest in their homes and neighborhoods;
- Assisting low to moderate income homeowners with exterior building code violations repairs by coordinating with Project Rebuild and where projects exceed Project Rebuild's scope of work, employing independent contractors.

The programs in 2020, 2021, 2022 and 2023 have been successful and CBP has regularly appeared before Council with updates. The grants were funded with Issue 13 Comprehensive Plan Neighborhood Funds.

CBP has approached the City with a request to renew funding in the amount of \$250,000 for continuation of the same grant programming. Funding will come from Issue 13 Comprehensive Plan Neighborhood Funds. No appropriations or transfers are required. They have requested a 15% administrative fee from 2024 funding. I recommend re-authorization.

Therefore, I hereby request legislation that does the following:

 Authorizes the Mayor and/or Director of Public Service to enter into a grant agreement with Community Building Partnership of Stark County, Inc. in an amount not to exceed \$250,000 utilizing Issue 13 Comprehensive Plan Neighborhood Funds for the foregoing described project.

RE: Request for Legislation - Traffic Sign and Paint Bargaining Unit Plan Update

Dear Mr. President and Honorable Members:

The current bargaining unit plan for the Traffic Sign and Paint Division of the Engineering Department allows for one (1) Sign and Paint Equipment Operator 4 position and two (2) Sign and Paint Operator 3 positions. We would like to modify the classification plan to allow for any combination of three (3) of the Sign and Paint Operator 3 and Sign and Paint Equipment Operator 4 positions, with a maximum of two (2) in the Sign and Paint Equipment Operator 4 position. The new classification plan will provide more flexibility in staffing in order to meet departmental needs and adjust to the availability of labor at any given time. In addition, the change would make the Sign and Paint Division classification plan consistent with the Traffic Engineering and Traffic Signal and Lighting Division plans that are both structured to allow for any combination of technician positions.

Therefore, we hereby request legislation that does the following:

- 1. Modifies the Safety Director's Traffic Engineering, Sign & Paint Division Bargaining Unit Personnel Classification Plan as shown in Exhibit A.
- 2. Declares this ordinance to be an emergency measure.

Please do not hesitate to contact us with any questions. Thank you for your consideration.

RE: Legislation Request - 2024-2028 City of Canton Consolidated Action Plan

Dear Madam President and Honorable Members:

Recently, the City of Canton through its Department of Community Development (CD) administers the United States Housing and Urban Development (HUD) Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), and Emergency Solutions Grant (ESG) programs. Each year, this is accomplished by submitting an Action Plan to HUD outlining the annual programmatic objectives and expenditures. Additionally, each Action Plan must align with the City's approves five-year Consolidated Action Plan (the Plan). At this time, the City must approve a new five-year Consolidated Action Plan for 2024-2028 in order to move forward with our HUD programs.

Over the last several months, the CD team has been working with the consultant ASK Development to develop and draft the plan. This involved a substantial community evaluation and survey process involving community surveys, focus groups, and a public hearing with a special focus on low to moderate income residents. A draft of the plan has been emailed to Council for review. Although the document is approximately 250 pages long, seven priority goals have been identified which fit into 5 categories, and they will guide the next five Action Plans. These categories are as follows:

- 1. Affordable Housing
- 2. Creating and Retaining Jobs
- 3. Providing Neighborhood Services (Public and social services for youth, seniors, persons with disabilities, etc.)
- 4. Reducing Homelessness
- 5. Infrastructure and Community Facilities

At this time, we are seeking Council authorization to approve and file the Plan with HUD so that we are able to continue funding CD programming. CD Director Sherice Freeman will be present at the May 6, 2024 Council meeting to present a summary of the Plan and answer any questions.

Therefore, I hereby request legislation that does the following:

1. Approves the City of Canton 2024-2028 Consolidated Action Plan

- 2. Authorizes the Mayor or Director of Public Service, on behalf of the City of Canton, to file with HUD the 2024-2028 City of Canton Consolidated Action Plan.
- 3. Declares this ordinance to be an emergency.

As always, please contact me should you have any questions or concerns and thank you for your consideration.

Respectfully,

John M. Highman, Jr. Director of Public Service

Legislation Request - Purchase of one (1) track-mounted dozer for Collection and RE: Water Department

Dear Madam President and Honorable Members:

The Collection Systems and Water Departments (CSWD) jointly manage the dirt fill operation near the Service Center. Maintaining the grading portion of this work requires a track-mounted dozer to ensure safe hauling in and out of the work area.

CSWD is proposing to purchase one (1) track-mounted dozer. A track-mounted dozer will allow the Departments to continue to perform their own sewer and water repairs. The total estimated cost of the equipment is approximately \$146,000.00 with an approximate \$74,000 trade allowance at the time of purchase. The unit being replaced was purchased in 2004. The cost will be split between the two Departments. The necessary funds are available in both Operating Budgets to complete this purchase.

Therefore, I hereby request legislation that does the following:

- 1. Authorizes the Mayor and/or Director of Public Service to advertise, receive bids, award, and enter into contract for the purchase of one (1) track mounted dozer.
- 2. Authorizes the Mayor and/or the Director of Public Service to enter into any and all contracts necessary for the purchase described above in paragraph 1 via any cooperative purchasing agreement authorized by law.
- 3. Authorizes the Mayor and/or Director of Public Service to trade in a similar piece of equipment to be credited towards the purchase.
- 4. Authorizes the Auditor to draw warrants upon receipt of vouchers duly approved by the proper departmental authority.
- 5. Declares this ordinance to be an emergency measure.

RE: Legislation Request - 2024 ODOT Winter Road Salt Contract

Dear Madam President and Honorable Members:

The City has participated in the Ohio Department of Transportation's (ODOT) Winter Road Salt Contract for the past several years, and we would like to once again participate this year. Traditionally, road salt has been included on the yearly supply list ordinance. However, beginning in 2016, ODOT now requires that all entities seeking to participate in its winter salt contract pass a resolution/ordinance that contains the **exact** language contained in the sample resolution/ordinance supplied by ODOT which is attached.

Therefore, I hereby request legislation that does the following:

- 1. Includes the exact language contained in the attached draft resolution/ordinance.
- 2. Declares this ordinance to be an emergency measure.

Given that ODOT is requiring that we submit the necessary documentation, including this legislation, by May 3, 2024, we would greatly appreciate that the Law Department prepare an ordinance for first reading upon receipt of this communication for the April 22 Council meeting and that Council pass the resulting ordinance on second reading consideration at its April 29, 2024 meeting in order to submit all necessary materials and receive confirmation. Please note that this request for an expedited process is being made because we did not receive this information from ODOT until late afternoon on April 11 after the communication deadline for the week had passed. Please do not hesitate to contact me should you have any questions.

Respectfully.

John M. Highman, Jr. Director of Public Service

# RESOLUTION AUTHORIZING PARTICIPATION IN THE ODOT ROAD SALT CONTRACTS AWARDED IN 2024

WHEREAS, the (INSERT POLITICAL SUBDIVISION NAME, COUNTY LOCATION) (hereinafter referred to as the "Political Subdivision") hereby submits this written agreement to participate in the Ohio Department of Transportation's (ODOT) annual road salt bid in accordance with Ohio Revised Code 5513.01(B) and hereby agrees to all of the following terms and conditions in its participation of the ODOT road salt contract:

- a. The Political Subdivision hereby agrees to be bound by all terms and conditions established by ODOT in the road salt contract and acknowledges that upon of award of the contract by the Director of ODOT it shall be bound by all such terms and conditions included in the contract; and
- b. The Political Subdivision hereby acknowledges that upon the Director of ODOT's signing of the road salt contract, it shall effectively form a contract between the awarded salt supplier and the Political Subdivision; and
- c. The Political Subdivision agrees to be solely responsible for resolving all claims or disputes arising out of its participation in the ODOT road salt contract and agrees that each party hereto shall be responsible for liability associated with that party's own errors, actions, and failures to act.
- d. The Political Subdivision's electronic order for Sodium Chloride (Road Salt) will be the amount the Political Subdivision agrees to purchase from its awarded salt supplier at the delivered bid price per ton awarded by the Director of ODOT; and
- e. The Political Subdivision hereby agrees to purchase a minimum of 90% of its electronically submitted salt quantities from its awarded salt supplier during the contract's effective period; and
- f. The Political Subdivision hereby agrees to place orders with and directly pay the awarded salt supplier on a net 30 basis for all road salt it receives pursuant to ODOT salt contract; and
- g. The Political Subdivision acknowledges that should it wish to rescind this participation agreement it will do so by written, emailed request by no later than Friday, May 3rd, by 5:00 p.m. The written, emailed request to rescind this participation agreement must be received by the ODOT Office of Contract Sales, Purchasing Section email: <a href="mailto:Contracts.Purchasing@dot.ohio.gov">Contracts.Purchasing@dot.ohio.gov</a> by the deadline. The Department, upon receipt, will respond that it has received the request and that it has effectively removed the Political Subdivision's participation request. Furthermore, it is the sole responsibility of the Political Subdivision to ensure ODOT has received this participation agreement as well as the receipt of any request to rescind this participation agreement. The Department shall not be held responsible or liable for failure to receive a Political Subdivision's participation agreement and/or a Political Subdivision's request to rescind its participation agreement.

**NOW, THEREFORE,** be it ordained by the following authorized person(s) that this participation agreement for the ODOT road salt contract is hereby approved, funding has been authorized, and the Political Subdivision agrees to the above terms and conditions regarding participation on the ODOT salt contract:

RE: Request for Legislation - GP1144 - PID 90465 - 11<sup>th</sup> St. SE Intersection and Roadway Improvement Project - Design Engineering Change Order No. 2

Dear Madam President and Honorable Members:

The above-named project is currently under construction. The engineering firm AECOM Technical Services, Inc. (AECOM) designed the project, and has continued to provide additional design support throughout the project as it has progressed. As the project was approaching the advertising date, numerous design issues that were outside the original scope of the design contract needed to be addressed. These include revising lighting plans, signal interconnect plans, waterline plans, and paving quantities to name a few. Additionally, due to the complex nature of the project, we have had to involve the design team during construction to assist in answering and clarifying issues raised by the general contractor. We would anticipate this need to be ongoing. In total, we have negotiated Change Order No. 2 in order to address these issues at a cost of \$50,314.66. This brings the total cost for AECOM's design work to \$1,143,047.38. Previously appropriated Comprehensive Plan funds will be used to fund this change.

Therefore, I am requesting legislation that does the following:

- 1. Authorizes the Mayor and/or Director of Public Service to enter Change Order No. 2 with AECOM Technical Services, Inc. in the amount of \$50,314.66.
- 2. Authorizes and directs the Auditor to pay any and all moral obligations for these contracts needed to construct this project.
- 3. Authorizes the Auditor to draw warrants upon receipt of vouchers duly approved by the proper departmental authority.
- 4. Declares this ordinance to be an emergency measure.

Please do not hesitate to contact me if you have any questions. Thank you for your consideration.

Respectfully.
